Amendment to Lakeville VFD Truck Bid Specifications

1. It is the intention of the Truck Committee and the Board of Fire Commissioners to allow bidders to offer their best solution to our stated needs. There is no prejudice or favor.
2. We will accept equivalents equal to or better than specified.
3. Additional Warranties, and quality exceeding the Specifications will be looked upon favorably.
4. Remove Class B Foam option.
5. Remove Federal Q Siren.
6. Remove 20" raised roof over the cab area.
7. Quote steel wheels, with the Aluminum Wheels specified as an extra cost option.
8. Change Performance Bond to 10%, not 100%.
9. Completion date shall be amended to include: "Should the Truck Delivery date exceed 270 days from the date of bid acceptance by the Manufacturer, the Bidder will pay the Lakeville Fire District One Hundred Dollars (\$100.00) per day penalty until Delivery".
10. If requested, Bidders will attend a Bid Review meeting with the Board of Fire Commissioners at the Lakeville Truck House.
11. Critical Dates:
 - Submission no later than Friday November 20th, 2009
 - Bid Opening Saturday November 21st, 2009 0900hrs Lakeville Truck House
 - Award to be made Wednesday December 9th, 2009 1800hrs at the regular meeting of the Board of Commissioners.
